

Softball: Adult League Rules

The Liberty Parks and Recreation's, Adult Softball program is designed to give all participants, through participation in games, the opportunity to learn and improve the fundamentals of the game of softball as well as increase and improve socialization opportunities among players.

Managers:

The manager is the primary link between their team and league management. It is the manager's duty to obtain all information regarding league play at the park. Responsibilities include but are not limited to:

Additional make-up games will be if possible rescheduled for the same night (example Tuesday night Leagues on Tuesday night), however, if schedules do not permit. Games will be played on weekends, or as management deems necessary to complete the league.

- B. Should a softball game be called because of rain after the four (4) innings have been completed (3 ½ innings if home team is ahead), the game will be considered official and will not be made up.
- C. The team manager is responsible for obtaining make-up schedules when they become available.

A team using the EP must finish the game with the same number of players they started with. If a player leaves the game and no substitutes are available, an out will be recorded each time that player's position in the batting order comes up. Remember this is an appeal play by the defensive team. The defense must inform the umpire each time the batting position comes up.

All substitutions must be reported to the umpire. Failure to report substitution to the umpire will result in the ejection of the illegal player, when brought to the attention of the umpire by the opposing manager.

If a defensive player is injured and continues to play in the field that player must bat and run. This player will be allowed a pinch runner once per game. If the injured player is the extra hitter in the lineup and does not play in the field a pinch runner is allowed each time the batter reaches first base. That pinch runner will be the last batted out.

RE-ENTRY RULE

Any of the starting players may withdraw and re-enter once, providing he/she occupies the same place in the batting order. A substitute who is withdrawn may not re-enter. All substitutions must be reported to the umpire.

You must submit the name of the player(s) in question with a \$50.00 protest fee per player protested. The Complex Manager will rule upon the protest. For protest involving ineligible players(s), the team in question must have a valid roster on file in the park office. Managers should also make sure team members have proof of positive identification with them at all times as the umpire will check the picture identification of the player in question. If a player is unable to provide positive identification, any protest against him/her will be automatically upheld.

RULE INTERPRETATION PROTEST

For a valid rule interpretation protest, the following steps must be taken:

- A. Any protest must be announced verbally to the umpire when the contested action occurs and BEFORE the next pitch.
- B. If a protest occurs, the umpire must inform the field supervisor and he will attempt to contact the program director for immediate ruling on the protest. If he is unable to contact the program director, the game will continue and the protest will be ruled upon the next day by the program director.
- C. A \$50.00 forfeit fee must accompany the protest that night.

FIELD CONDITIONS

When weather conditions warrant, the status of games will be available after 3:30pm (Monday-Friday) and at 2:00pm (Sundays) by calling 816-735-4700. Please do not call the office regarding game status. No decision will be made until 3:30 PM (Monday-Friday) and 2:00 PM (Sundays).

The Men's Softball is a 12 inch ball and the Women's is a 11 inch ball. The team batting is responsible for retrieving game balls when hit out of play. COMPLEX RULES

Liberty Parks & Recreation reserves the right to interpret any and all rules and situations. Further, Liberty Parks & Recreation reserves the right to insert, delete, or change rules at any time and make decisions retroactive should it be deemed necessary for the benefits of the leagues.

Sportsmanship:

Team members, coaches, and spectators shall exhibit appropriate behavior towards other players, officials, and spectators. Unsportsmanlike conduct from team members and/or associates including spectators will result in being carded accordingly and action taken such as:

1. Player or coach ejection from the game.
2. Player or coach ejection from the league.
3. Player or coach suspension.
4. Forfeit of game.

* An official should not directly interact with a fan that is being unsportsmanlike. Every effort to control the fan should go through that team's head coach. If cooperation does not take place from that head coach, then the official may take action such as head coach ejection and then if the fan continues, a forfeit of the game is well within the rules. During the game, the officials do have the authority to eject players or coaches. The LPR department has the final authority on determining the duration of the suspension or other penalty. Any player or coach ejected from the game must leave the playing area. Failure to do so may result in forfeiture of the game.

Weather Policy:

The official/supervisor has final say on whether a game will be temporarily suspended or postponed due to weather conditions or poor field conditions – once he or she arrives on the field. If lightening is in the immediate area, the game shall be suspended immediately. Everyone should be instructed to take shelter and the official can monitor the situation and determine whether the game should play on. In case of heavy rain, play should be suspended and possibly postponed due to the amount of rain. If field conditions become extremely poor and children are at risk of injury, then play should be postponed. If the playing weather is horrible such as cold, rain, mud, high winds, tornado warnings etc... then play should be postponed. Finally, if the weather is warm and there is a light to moderate rain falling, it is possible to keep playing. Remember, this decision to play or not to play rests with the official/supervisor working the game and his or her call can NOT be disputed. The official/supervisor will always have the safety of the children in mind when making their decision.
